Credit Recognitions for SaP

Credit recognition for *Students as Partners* in Education, Service, and Research

II. HKU Students - step-by-step instructions

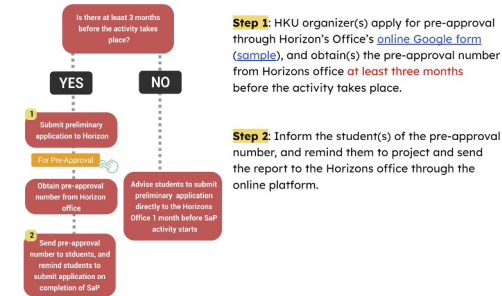

After discussion with faculty about the SaP activity, students need to take the following steps to apply for credit recognition:

See the sample AAP profile bundling of 3 or more credits [\[here\]](#).

III. HKU Units or Teachers - step-by-step instructions

HKU units or teachers wishing to offer SaP activities for students to earn credits are requested to apply for pre-approval and obtain a pre-approval number ideally three months in advance:

What happens after students hand in the application?

The Horizons office will review the applications. The approved credits will be reflected on the student's Academic Attainment Profile (AAP). Faculty/ HKU staff members are not involved in the credit-claiming process.

As students accumulate 3 credits or more, he/she will be able to group credits in bundles of 3 on the transcript. Students can choose which three credits he/she would like to show on the transcript. This may be done at any time during their studies.

See the sample AAP profile bundling of 3 or more credits [\[here\]](#).
